**Petition Under 37CFR 1.181 To Withdraw Holding of Abandonment**

This petition is in response to your "Notice of Abandonment" for patent application number 10/707,263 mailed 10/17/2006.

Your letter states that no reply was made to your office letter mailed on 02/09/2006.

I never, however, received your notice and was therefore completely unaware of it. I have assumed that the application was proceeding normally. I had not yet received any office letters with regards to this patent.

I am not a professional patent attorney and am currently acting on my own behalf. I do not, therefore, have a system set up with a date stamped list of documents in which to prove that it was never received. I am very careful, however, with patent documents. This patent application is kept in a special folder in one of my filing cabinets and all documents related to it are stored there. I am certain that I never received your office letter of 02/09/2006.

Our folder for this patent contains the original patent filing on 12/02/2003. I also have a notice of publication for this application received 06/17/2005. The office letter from 02/09/2006 which you refer to is not in my file and was never received by me.

This petition is a request to withdraw your holding of abandonment, mail me a copy of the original office letter of 02/09/2006 and allow me to respond. I will respond immediately upon receiving a copy of the letter.

Thank You For Your Consideration,

Noah Robinson
